- 17 - "Say it's your birthday" (Celebrate everyone's birthday)
- 24 - Awards Night/AWANA Store

### **5 Tips to help your child be successful in AWANA**

1. Arrive on time - over all this makes things so much easier for secretaries, game leaders, announcements, when the night can start off on schedule. Kids should be lined up on their color line on the Awana game mat by 6:25 pm.
2. Make sure your kids are prepared for and bring everything for the night!
  - Bible
  - Awana handbook (So many kids arrive without their handbook—we can't keep too many loaners on hand, and we don't want them sitting in Handbook time with nothing to do)
  - Weekly theme items to wear (listed on schedule) - hat, funny clothes, jersey, wig, toy, etc.
  - Vest (Sparks) or Shirt (TnT - if no weekly theme that requires wearing something different)
  - 25 cents dues
  - Invite friends!!
3. Please make sure your child's name is on everything - vests and handbooks get left in gym, and we can't find the owners without names

Did I mention arriving on time and bring everything for the night.....?! :)

4. Get involved with your child's Awana study time!
  - Help the Sparkies keep up with at least a section a week by working with them to memorize the Bible verses that completes each section.
  - T & T can look ahead each week to see what the lesson will be about. Help your child understand the lesson better (go over it and ask them the questions), and work with them to memorize the verse that completes each section.
5. Encourage your children to bring prayer requests that can be shared at their table during Handbook time so they can all pray together

Did I mention get involved in your child's AWANA study time, arrive on time and bring everything for the night.....?! :)
