30-DAY MISSIONARY PRAYER GUIDE

30 days of prayer for
our missionaries
around the world.

“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.” -Matthew 28:19-20

“...and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth.” -Acts 1:8b

After Jesus rose from the grave, He charged His followers (*multiple times*) to go out into the world around them and share the Good News of the Gospel. This is the primary call to action that is placed on all believers. At First Baptist, we believe in this calling, its importance and the urgent need to get the Gospel out to our town, our state, our nation and the world. For some people, we call missionaries, this calling prompts them to leave their hometown and go to the ends of the earth. For those of us who stay on the home front, we have the responsibility to support them, and one of the best ways we can do that is through prayer.

This booklet is a tool for you to accomplish that responsibility to pray. In it, you will find a name and photograph of one of our missionaries for every day. On the next page, you will see a world map. This map shows all the locations where we have missionaries. **On every other day, you will additionally find the name of an agency which we support.** Websites are listed for each person and agency so you can learn more about what they are doing in their field. To see all this online, go to www.firstmedina.org/missions.

Please, set aside time each day to pray over these names and organizations. We also pray that this process will encourage you to step out in faith and share the Good News with those who are in the spaces you are in everyday.

In Him,

First Medina Staff
