S.O.A.P. Journaling Method

Before you read scripture, pray that the Holy Spirit would teach you as you read (1 Corinthians 2:10-16). Then read and write down what God is showing you in the following categories.

S - Scripture

- Write out a verse or passage that stands out to you

O - Observation

- If a new book, check out a Book Summary (ie. gotquestions.org) - Who is the author of the book? Who is the author writing to? Why is the author writing?
 - *This is so important as we have to acknowledge that the author had a specific reason why he wrote the book
- Write what the verse or passage says in context - What comes before the verse or passage, What come after the verses or passage, Note repetition of words, phrases, Cause-and-effect/*ifs* and *thens*, Questions and answers, Comparisons and contrasts, Bring to mind other verses/passages in Scripture (Cross Referencing), Themes, Key phrases in an effort to best interpret what is being communicated
- Questions to ask and answer like - What does this say about God? Or What does this passage say about Jesus?

A - Application

- How this passage applies to you:
 - What can I worship God for?
 - How does this cause me to look to Christ?
 - What would change if I truly believed this?
 - Is there a sin to forsake?
 - Is there a promise to claim?
 - Is there an example to follow?
 - Is there a command to obey, something to put into action?
 - Is there something to be thankful for?
 - Is there something to share with others?

P - Prayer

- Write out a prayer to God about what He has shown you
- Pray that prayer out loud over your life, others, and your prayer list
